

Select a Marketing Agency That Speaks Fluent Healthcare

We grow revenues and fill the sales pipelines of health IT companies with proven marketing strategies and programs.

Client Successes

QuadraMed,

a Harris company, increases patient safety with identification and data cleansing systems.

Services: Branding, messaging, website, collateral, lead generation campaigns

eMedApps

makes your EHR and healthcare technology systems smarter, faster, and easier to use. Clarity Quest re-branded the company and created a marketing strategy to grow revenues in the HIE space.

Services: Branding, strategy, website development, marketing automation, content, PR

Mach7 Technologies,

an enterprise imaging solutions company, grew revenues by 5x in 18 months after retaining Clarity Quest as its agency of record.

Services: Marketing strategy, budgeting, marketing automation, content, advertising, SEO, social marketing, PR

MMIT simplifies market access across all of healthcare by making drug formularies, policies and restrictions transparent.

Services: Marketing strategy, sales enablement, market research, content, account-based marketing
